“Wagons to Wings” *Metamorphosis of our Community*

Papillion has a Parade and it is the Best Around!

The 72nd Annual Papillion Days Parade returns Saturday, June 15th at 2:00pm in Downtown Papillion. The parade proceeds down N. Washington Street (84th Street) from 6th Street all the way to Halleck Street.

Using the Theme “Wagons to Wings: *Metamorphosis of Our Community*”. Take the theme phrase and tailor it to your entry! The theme this year is open to many interpretations. It can be a wagon – a pioneer theme – where our town started. It can be a Wing Theme – Papillion means butterfly in French! That is why we have Monarch butterflies all over town. Metamorphosis of Our Community – the definition of metamorphosis “is the process of transformation from immature to adult form” or “to change the form or nature of a thing or person into a completely different one – a transformation”. Papillion has grown so much in the last 10 years – so many new things but our values haven’t changed. We still have that small town feel!

You can show off your creativity and how you interpret the theme with humor, advocacy, or collaboration! The goal is to really move the judges!

What is Pomp(ing) vs a Float?

Pomping is the action of rolling sheets of tissue paper into tiny balls that are then glued one by one onto cardboard to create an elaborate mural OR

creating a frame with wood and chicken wire then you layer pieces of tissue paper and use a pencil to stick them through the holes in the chicken wire to create a mural. Once the mural is complete you then mount it on a trailer or in a truck bed and display it during the parade.

A Float is typically built on a trailer and can include pomping but also some sort of structure that promotes the Parade Theme. Sometimes floats have moving parts, music, people in costume, floral sheeting, streamers, fringe, signs, marquees just anything that your imagination can dream up.

There are many videos on YouTube that describe pomping and floats – search your ideas today!

AWARDS and PRIZES!

Entries are judged on entertainment value to the audience, creativity and concept, adherence to theme and audience reaction.
